

Download these print decals (4x6") for use in your spa or salon. Can be used on doors, mirrors, reception area, washrooms, etc. Show clients your facility is being protected by Rejuvenate™ Disinfectants.

Printer Requirements: Ability to print 8.5" x 11" sheet of paper in color ideally on label material available at most office supply stores. If not, you can also take the file to an output facility with printing capabilities. Once printed, decals can be hand cut along red line using scissors and placed where appropriate.
